Chesapeake Employers' Insurance Company proudly offers qualifying towing contractors an exclusive workers' compensation insurance program* featuring a group dividend** and expert safety services to help reduce workplace accidents.

Potential to earn a group dividend**

Superior service

This program provides participating members with customized safety services designed to help create a safe workplace to reduce the potential of on-the-job accidents. In addition, the program provides these services:

- Comprehensive safety services including dedicated consultants, training resources and assistance in supporting a safety culture
- Fast and easy eServices for 24/7 injury reporting, quotes, renewals, certificates, loss runs and payment processing
- Integrated claims and medical management services handled by experienced claims representatives and nurse case managers
- Flexible payment plans/multiple payroll service options
- Fraud prevention, detection and investigation services
- Competitive pricing

Minimum eligibility requirements

*Exclusively available to towing contractors domiciled in Maryland. Accounts must meet minimum underwriting requirements for placement in Chesapeake Employers' standard or preferred rating tiers. Residual accounts are not eligible for new business placement in the Towing Safety Program. The eligible governing class code for this program is 7225. Eligible tiers are defined within Chesapeake Employers' underwriting guidelines. Other States coverage available per Chesapeake Employers' guidelines.
