

SAFELY **MOVE OVER**

It's the law.

Keep Our Emergency Workers & First Responders SAFE Along the Roadside

- 1 Always Give Your Full Time & Attention While Driving
- 2 SLOW Down & Give the Roadside Emergency Workers as much of a Safety Cushion as Possible
- 3 Signal Your Lane Change & Move Over Into the Next Lane in the Same Direction Only if Able to Do So Safely

Maryland's Move Over law has expanded on Oct. 1, 2018 to now include transportation, service and utility vehicles, as well as waste and recycling trucks, with yellow or amber flashing lights or signal devices.
