

NEW, IMPROVED

Injury Reporting Method for Customers with Multi-state Coverage

Chesapeake Employers' customers with coverage in other states can now report injuries directly to Zurich, our partner for multi-state coverage. This new option for reporting an injury will allow an expedited claims response for incidents occurring outside of Maryland.

Report an Injury Occurring Outside Maryland

Customers can report an injury occurring outside Maryland and submit supporting documentation to Zurich using any of the options listed below:

Website: www.zurichna.com (Fastest)
Phone: 877-405-9045
Email: USZ_CareCenter@Zurichna.com
Fax: 800-622-8081
Mail: Zurich Customer Care Center
P.O. Box 968017
Schaumburg, IL 60196

Of course, customers may continue to report out-of-state injuries directly to Chesapeake Employers via our Injury Reporting Hotline at 1-888-410-1400 or at www.ceiwc.com 24/7.
