Chesapeake Employers' Insurance Company Named a 2026 Ward's 50[®] Top-Performing U.S. Property-Casualty Insurance Company

(TOWSON, Md.) — Chesapeake Employers' Insurance Company has been named to the prestigious 2026 Ward's 50[®] list of top-performing U.S. property-casualty insurance companies, marking the first time the company has earned this national recognition.

Each year, Ward, a business of Aon, evaluates the financial performance of nearly 3,000 property-casualty insurance companies across the United States, recognizing organizations that demonstrate exceptional financial strength, consistency, and performance over a five-year period.

"We are honored to be included on the Ward's 50 list," said Mark Isakson, President and CEO of Chesapeake Employers' Insurance Company. "This recognition reflects the dedication, expertise, and commitment of our teammates, who work every day to support employers and their employees, injured workers, and communities throughout our region. Their focus on delivering value, exceptional service, and strong financial stewardship made this achievement possible. As we continue serving Maryland employers wherever their work takes them across the mid-Atlantic, we remain committed to helping businesses thrive, keeping workplaces safe, and being a trusted partner when it matters most."

In addition to being named to the Ward's 50 list, earlier this year AM Best also independently validated Chesapeake Employers' financial strength by reaffirming our A (Excellent) rating.
