Alaina Liberto Promoted to Senior Vice President, Chief Information Officer at Chesapeake Employers Insurance

(TOWSON, Md.) — Chesapeake Employers' Insurance Company announced the promotion of Alaina Liberto to Senior Vice President, Chief Information Officer (SVP, CIO), recognizing her long-standing leadership and continued impact on Chesapeake Employers' technology strategy.

Ms. Liberto joined Chesapeake Employers Insurance in 2011 as a Senior Business Analyst and advanced through a series of roles including Director of the Project Office, Chief Information Officer, and Vice President, Chief Information Officer, before her most recent promotion.

In her role as SVP, CIO, Ms. Liberto will continue to lead the organization's Information Systems department, overseeing enterprise technology, application development, and strategic IT initiatives that support Chesapeake Employers' mission and business objectives.

"Alaina's promotion reflects more than a decade of exceptional leadership and dedication to Chesapeake Employers Insurance," said Mark Isakson, President and CEO. "She brings a rare combination of strategic vision, operational expertise, and a deep understanding of our business. Under her leadership, our technology organization has become a critical driver of innovation and efficiency, and I am confident she will continue to elevate our capabilities in this expanded role."

Ms. Liberto possesses a Master of Business Administration in Finance from Loyola University Maryland.

About Chesapeake Employers

Chesapeake Employers' Insurance Company is Maryland's largest writer of workers' compensation insurance. It is a nonprofit, non-stock, private corporation. Chesapeake Employers has served as a continuous, guaranteed source for fairly priced workers' compensation insurance since 1914.
